

The Mother's Day Song

By Poppy and Posie from "The Blossom Shoppe"

There are many things you can do on Mother's Day
To show your mom you think that she's the best.

From breakfast in bed!

to a cake!

Or a bright bouquet!

But there's one thing that's better than all the rest.

There isn't a better way to say
"I love you forever and always".

No there isn't a better way
Than by being together on Mother's Day.

There are many things you can do on Mother's Day
To make your mom feel loved and make her smile.

While there are lots of things you can buy,
She just wants to be by your side.

So don't wait,
Come together
and...

Celebrate!

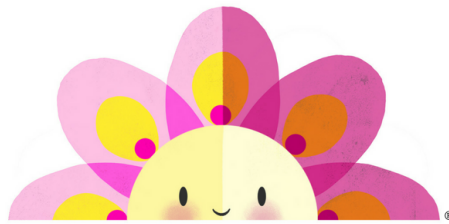

There isn't a better way to say
"I love you forever and always".
No there isn't a better way
Than by being together on Mother's Day!

There isn't a better way to say
"I love you forever and always".
No there isn't a better way
Than by being together on Mother's Day!

Have a **BLOSSOM** Mother's Day!
