

Bring Color to Blossom Town!

Poppy & Posie's Wonderful, Colorful Board Game Adventure

Designed for 2-6 players

Join Poppy & Posie on their journey to bring color to their community with this vibrant printable board game activity! Inspired by their award-winning storybook, *The Blossom Shoppe*, this game allows children and families to engage in wonderful, colorful story-based play together. On top of allowing little ones to connect with literature, this game is designed to help children develop growth mindset, math skills, confidence, cooperative abilities, and appreciation for what can happen when we let our true colors shine!
